Volume 1

**WELCOME TO STURBRIDGE!!!!**

**WELCOME TO NEW ENGLAND** and Sturbridge, Massachusetts. We are very fortunate to have our specialty in the heart of New England in the fall of the season. This is our 83<sup>rd</sup> National Specialty, 49<sup>th</sup> Obedience Trial, 12<sup>th</sup> Rally Trial, 23<sup>rd</sup> Agility Trial, and our first ever Sled Dog Sweepstakes.

The hotel and all of the staff are dog show knowledgeable and super friendly. There are walking paths and lots of grass area. There is indoor grooming as well as outdoor grooming under a large enclosed tent located on the back lawn. You will also have the ability to set up and work out of your vehicle.

For your convenience you will find a list of area restaurants, shops, and places for needed supplies in your Welcome Bag. If you have the time to explore the area within a mile of the hotel you will be rewarded with many shops offering antiques and other items unique to New England.

If you have joined us for the Siberian Harvest we hope you are finding our New England weather to be glorious, crisp and clear. We also hope that you are enjoying the changing color of the leaves, which is typical this time of the year. Our entire 2016 National Committee welcomes you to our show. We will do all that we can to make this your best specialty ever.

We want to take this opportunity to thank our entire 2016 show committee. We could not have done this without you. Your hard work and dedication to making this 2016 National a success will be apparent to everyone attending.

We wish everyone success and a great time
