<p>This year's National will be held from Monday October 28th through Saturday November 3rd at the Royal Canin Roberts Center in Wilmington Ohio.</p> <p>Roberts Centre is a dog friendly venue. Built and run by dog people for dog people. This venue was built as a beautiful and functional facility for Dog Shows. It has accommodated numerous successful Nationals for other breeds. It allows for all competition and events to be held at ONE site. Our Conformation and Performance events, including Agility will be all held indoors under one roof with continuous flow of 80,00 feet of convention space. Fast Cat will be held on the grounds as well. The facility has a fenced in yard to exercise your dogs and big grassy fields to accommodate our outdoor events. There are 26 full hookups for your RV and Motorhomes with easy convenient access to the indoor Show Rings. The out building which houses bathing tubs and has HOT &amp; cold running water is conveniently located adjacent to the convention building.
