## **Good Bye---See You Next Year!!**

It is hard to believe the week is almost over. By end of the day we will have a newly crowned National Specialty winner. The hotel staff has been wonderful to work with, and the National Specialty Committee Chairs have done an outstanding job. Please be sure to thank them as they walk by.

I hope you had a great week enjoying the educational opportunities, competing, spending time with old friends and making new ones. We had a terrific turn out for every event with record entries from all over the country and around the world. Congratulations to everyone.

Three years of planning has come to conclusion with success, even the weather was lovely. I wish you all a safe journey home with loads of wonderful memories. All y'all come back now.

## ***Siberian Pearls of Wisdom by Catherine Gamble***

*I hoping to come back as a Siberian Husky when I die. Here's why!!*

- 1. A Siberian really could care less the destination they are going to, as long as they are going with you.*
- 2. You can smell food cooking 8 blocks away and you don't know the meaning of the word diet.*
- 3. Every adventure is a party.*
- 4. All you have to do to make friends is sniff their butt. (you might want to rethink this one)*
- 5. When the kids are 8 weeks old your part is done.*
- 6. When you get in trouble just tilt your head and look cute.*
- 7. Your human has more pictures of you than their relatives.*
- 8. You run because it's fun, not to lose weight.*
- 9. You don't hold grudges*
- 10. You will always be Mommas baby*
